AN IMPRESSIVE LEGACY

Vision, sensitivity and meticulous attention to detail are the cornerstone of the Higgins Homes corporate ethos.

The company boasts an impressive track record dating back to 1965. Part of the Higgins Group PLC, one of the South East's largest privately owned construction companies, Higgins Homes is a multi award winning developer active throughout London, Essex, Hertfordshire, Kent and Sussex.

The company designs and constructs a wide range of residential and commercial properties, both new build and sensitive conversions.

Whatever the development, the location sets the agenda. Architectural design and finishing, configuration and interior specification – all are designed specifically for their setting. The approach may result in a strikingly bold, contemporary style apartment building set within a busy urban street-scape. Alternatively a development may reflect its village setting, being resolutely low in density and traditional in flavour.

The company is committed to adhere to the requirements of the Consumer Code for Home Builders and every project by Higgins Homes is guaranteed with a 10 year Building warranty.
